Notice for MTE Students

This is for information of all MTE students of 162,171,172 & 181 batches that there is a problem in publishing their final results since they still have some credits (6 or 7) of the thesis part left. Although they have completed 32 & 31 credits of the theory part.

Now, they are being asked to contact or communicate with the supervisor on an emergency basis for completion of due or remaining credits (including viva/presentation) for awarding MSc degree in Textile Engineering. As per decision of the coordination meeting, the **deadline** for submission of results to the Controller of Exams by the supervisor is **30th June, 2020**.

Note: If a student fails to submit his/her final thesis or research project to the supervisor within the stipulated time, his/her results will be declared **Fail (F) or Incomplete (I)**. So he/she will not get MSc degree/Certificate in Textile Engineering.

Prof. Dr. Md. Sanaullah

Controller of Examinations
