Date: 23/06/2024

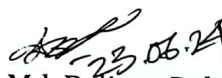

Subject: Invitation to participate in University Innovation Hub Program at United International University

Dear Sir,

You will be pleased to know that the University Innovation Hub Program (UIHP) a project under the Digital Entrepreneurship and Innovation Ecosystem Development Project (DEIEDP), Bangladesh Hi-Tech Park Authority (BHTPA) is commencing its activities at United International University. Details about the program can be found here: <https://uihp.org/>.

This incubation program and its activities at United International University open to participants from UIU as well as other universities in Dhaka.

I would like to welcome students, alumni and faculty members from your esteemed university to take part in University Innovation Hub Program (UIHP) and invite teams from your university to submit their applications.

Abul Fatah Md. Baligur Rahman
Project Director
